

Product Charter

DESCRIPTION

Defines the product's purpose, scope, users, outcomes, non-goals and decision rights.

DECISION IT SERVES

What is this product accountable for—and what is outside its mandate?

1 Purpose

Why this product exists, in one statement.

2 Scope

What this product owns, and what sits with someone else.

IN SCOPE

OUT OF SCOPE

3 Users

Who this product serves, and who it does not.

User / persona	What they need from us	Evidence / current state	Owner

4 Outcomes

The outcomes this product is accountable for.

Outcome	Baseline	Target / by when	Owner

5 Non-goals

What this product will deliberately not pursue, and why.

6 Team

Who does the work, and where the gaps are.

Role	Named person	Commitment	Gap / action

7 Stakeholders

Who must be informed, consulted or aligned.

Stakeholder	Interest	Involvement	Owner

8 Decision rights

Who decides what, and who is consulted before it is decided.

Decision	Decides	Consulted	Escalation

9 Success metrics

How we will know the charter is being met.

Measure	Baseline	Target / by when	Owner / source

DECISION / NEXT STEP

Decision: _____ Owner: _____

Rationale / evidence: _____

Next action / date: _____
