

AI Experiment Results & Learning Report

PURPOSE

Capture evidence from experiments and convert learning into product decisions.

DECISION IT SERVES

What did we learn and what should change?

Document owner: _____ Version: _____ Date: _____ Status: ☐ Draft ☐ Review ☐ Approved

1 Experiment results

Experiment	Hypothesis	Method	Result	Evidence	Statistical / qualitative confidence	Learning	Decision

2 What changed?

Assumption	Before	Evidence	After	Implication

3 Roadmap implications

Learning	Product change	Priority	Owner	Target release
